

Tipton County Public Library Community Displays Policy

The following guidelines will be in place regarding Library displays:

1. Any individual or community organization may submit items, collections, and/or information to be displayed at the Library for the benefit of community members. However, submissions benefitting for-profit organizations will not be accepted.
2. The Library Director must approve all submissions, and Library staff will be responsible for arranging the displays.
3. Items for displays should support the Library's mission and vision and must comply with Library policies.
4. Displays may remain in the Library for up to four (4) weeks, but the removal of the displayed items may be requested by the submitting party at any time.
5. The Library is not responsible for the damage or loss of any submitted items or information.
6. Interested individuals or organizations should complete the Community Display Request form on the library's website.
